

Dear New England Park Ranger Association Members,

My name is Keith Vicari and I will be serving as your president for the next two years. I would like to thank the past board members for their time and effort put in to NEPRA. We have some great ideas this year for the conference. Your current board members will do our best to plan the conference; hopefully a couple of NEPRA sponsored trainings, and a social event. This year with our membership board position we hope to keep you up to date through email. Shorty will also be sending you a link to a survey created on Survey Monkey to get membership input. Any members willing to help with the planning of the trainings it would be greatly appreciated. I hope everyone has a safe season and look forward to talking with everyone at the Conference.

Sincerely,

Keith Vicari
