About the Department of Conservation and Recreation:

The Department of Conservation and Recreation manages one of the largest and most diverse state parks systems in the nation and protects and enhances natural resources and outdoor recreational opportunities throughout Massachusetts. DCR is a dynamic agency, and is one of the largest park systems in the nation. The DCR system includes over 450,000 acres of parks, forests, water supply protection lands, beaches, lakes, ponds, playgrounds, swimming pools, skating rinks, trails and parkways.

The Department of Conservation and Recreation seeks qualified applicants for the position Seasonal Park Ranger.

Seasonal positions may be subject to the recall process and will be filled in accordance with collective bargaining agreements, positions not filled using this process will be interviewed for.

Duties:

The Massachusetts Department of Conservation and Recreation is seeking Park Rangers to patrol facilities to promote compliance with rules and regulations, protect natural and park resources, and enhance visitor experience through providing a presence and being available for visitor information; coordinate with law enforcement officials for appropriate regulatory action; and perform related work as required.

Most positions begin early to mid May and end sometime between early September and mid-October. Park Rangers normally work a forty-hour week (which includes nights, weekends, and holidays). Uniforms and training are provided; park housing is not.

This position requires a Ranger to cover the entire Region.

Successful candidates must attend the Seasonal Ranger Academy.

Qualifications:

Minimum Entrance Requirements:

Applicants must have at least (A) two years of full-time, or equivalent part-time experience in park or resource management, environmental education, water resources or water supply management, or natural/cultural history interpretation or (B) any equivalent combination of the required experience and the substitutions below.

Substitutions:

I. An Associate's degree or higher with a major in park or recreation management, natural resource management, water resources management, environmental education, or park interpretation may be substituted for the required experience.*

*Education towards such a degree will be prorated on the basis of the proportion of the requirements actually completed.

Special Requirements:

1. Possession of a current and valid Massachusetts Class D motor vehicle operator's license.
2. Possession of a current and valid CPR (cardio-pulmonary resuscitation) certificate from the American Red Cross or the American heart Association.
3. Possession of a current and valid standard first aid and personal safety certificate and first responder certificate issued by the American Red Cross.
